Detailed Report on
One Day State level hands on Workshop on "Statistical Data Analysis
using SPSS".

(30th, January, 2021)

Organised : IQAC, Department of statistics and
Department of Economics, STC College, Banhatti

STC Arts, Commerce, BBA, BCA, BSc College, PG Centre and Research Centre Banhatti, Department of Statistics and Department of Economics under IQAC has organised One Day State level hands on Workshop on "Statistical Data Analysis using SPSS" on 30th January, 2021.

The core objective of the workshop was to improve upon the quality of research by the use of latest technology and software. Researchers find themselves severely constrained in their research work due to lack of adequate understanding of statistical analysis and techniques. And also to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop proposes to cover basic statistical concepts required for understanding study results along with hands on experience of doing basic analysis using the statistical software SPSS. The course intends to deal with variety of quantitative research methods used in social science researches. The workshop commenced, after the registration of participants, introductions and Inaugural function.
