NAME OF THE DEPARTMENT : ECONOMICS
ONE DAY STATE LEVEL WORKSHOP REPORT

Title of the programme	One Day State Level Workshop on Research Methodology in Economics
Date	11-02-2023
Venue	Central Hall
Name of the Resource Person	Mr. Duragesh Pujari, Research Scholar, Dept. of Economics, KUD.
No. of Participants	35
Objectives of the programme	1. To promote innovative and effective on Research Methodology in Economics. 2. This State Workshop Resulted in Knowledge sharing by Students and Professors of our institute.
Summary of the Programme	Department of Economics, Janata Shikshana Sangha's STC Arts and Commerce, BBA, BCA, BSc college and PG Centre, Banahatti. IQAC Initiatives Organized a One Day State Level Workshop on "Research Methodology in Economics" for students, Teachers and Staff also. The workshop held on Friday 11 th February, 2023 from 10:00 AM to 01:00 PM in Central Hall. The invited speaker Mr. Duragesh Pujari, Research Scholar, Dept. of Economics, KUD. The workshop was intended to disseminate knowledge relating to the methods and methodology in Economics, under the faculty of Humanities

Co-ordinator

for students. A total of 35 participated and attended the workshop.

The guest speaker and who were gathered in the session heartily welcomed by **Dr. Reshma Gajakosh**, HOD of Economics. In the beginning of the session **Prof. Y. B. Koradur**, Librarian and IQAC Sub-Coordinator introduced the theme of special lecture; **Dr. M. H. Shirahatti** HOD of political science introduced the Resource Person.

The session was very interactive and students participated enthusiastically. In the beginning Resource Person, gave the introduction of Research Methodology. He provided an overall Idea about Research Process starting from selecting the Research Questions to Research Design to Data Analysis and Report Writing. To conclude the Research Methodology workshop for students and teachers turned out to be a rich experience for the participants for raising their confidence to proceed with quality Research and produce output.

Dr. G. R. Junnaykar, Principal of college in his presidential remarks, said this session was very useful to our students and he presented a small token of appreciation to our valuable guest. The vote of thanks was given by **Prof. Madhu Gurav**, expressed her gratitude towards the special lecture for giving valuable time for the programme and extended their gratitude to principal of the college & IQAC coordinator, HOD of all the departments, staff for their endless support and encouragement for conducting and for carrying out such informative programme. As per the feedback received from the participants it was very good workshop. We were very thankful to our beloved Principal and management to given this opportunity.

DEPARTMENT OF BCA
Report on One State Level Workshop on
"Research Methodology in Cloud Computing"

1	Name of the Activity	One day State Level Workshop on "Research Methodology in Cloud Computing"
2	Date	15-02-2023
3	Organized by	Coordinator Department of BCA
4	Place of Activity	BCA Class room
5	Activity Objective	RESEARCH METHODOLOGY The research process will include following phases for accomplishing the Objective of Research to study and analyse various vulnerability issues in Security in Cloud Computing with an attempt to suggest a model of security implementation, which will cover the advantages of the available process used to handle the vulnerabilities in Security of Cloud Computing and will be able to provide more reliable aspect for implementation of Security in Cloud Computing Environment:
6	Outcome	Identify resource management fundamentals, i.e. resource abstraction, sharing and sandboxing and outline their role in managing infrastructure in cloud computing. Analyze various cloud programming models and apply them to solve problems on the cloud.

Dear Sir / Madam

We cordially invite you to participate in One Day National Seminar on Intellectual Property Rights with Focus on Business, Trade and Industry on Thursday, 25th August 2022.

About College

About Four decades back there was no college in the vicinity of 80 kms offering commerce degree course. In 1975, considering the need of the people of Jamakhandi, Mudhol, Raibag and Athani Talukas, the management took a bold decision to start a first grade college with "Bachelor of Commerce" course to begin with. The motto of late Shree Tammannappa Chikkodi, founding father of the Sangha, was to bring higher education to door steps of the down trodden and the weaker sections of the society in general and weaver community in particular.

The Sangha started "Bachelor of Arts" Course in June 1982 to provide an opportunity to the students to pursue higher education in the field of their choice. The course provides wide options to the students. The college was renamed "Shree Tammannappa Chikkodi Arts and Commerce College".

The Sangha started "Bachelor of Business Administration" (BBA) course in 1999. "Bachelor of Computer Applications" course was started in 2001. In 2009 Master of Commerce (M.Com), and 2014 Master of Arts in English, B.Sc. & in 2022 Research Centre was also introduced.

Introduction :

IPR is the right of the people over their intellectual creations. Ideas which are abstract representation of something must be protected once they have been materialized as a result of human intellectual effort. IPR is covering patents, copyrights, trademarks, industrial designs, geographical indications, protection of layout design of integrated circuits and protection of undisclosed information and protection of new plant varieties. Intellectual Property Rights (IPR) refers to Monopoly protection for creative works such as writing (copyright), inventions (patents), processes (trade secrets) and identifiers (trademarks). IPRs related law and rules are very difficult to understand for common people who are related with various types of business, industries and research. Therefore, this national seminar would be helpful to spread awareness regarding IPR and their related issues among students, researchers, faculty, business groups & organisations.

Dear Sir / Madam

We cordially invite you to participate in One Day State level Student Seminar on "Changing Scenario in Banking and Business" with focus on Banking and Business on Monday, 13th February 2023.

About College

About Four decades back there was no college in the vicinity of 80 kms offering commerce degree course. In 1975, considering the need of the people of Jamakhandi, Mudhol, Raibag and Athani Talukas, the management took a bold decision to start a first grade college with "Bachelor of Commerce" course to begin with. The motto of late Shree Tammannappa Chikkodi, founding father of the Sangha, was to bring higher education to door steps of the down trodden and the weaker sections of the society in general and weaver community in particular.

The Sangha started "Bachelor of Arts" Course in June 1982 to provide an opportunity to the students to pursue higher education in the field of their choice. The course provides wide options to the students. The college was renamed "Shree Tammannappa Chikkodi Arts and Commerce College".

The Sangha started "Bachelor of Business Administration" (BBA) course in 1999. "Bachelor of Computer Applications" course was started in 2001. In 2009 Master of Commerce (M.Com), and 2014 Master of Arts in English, B.Sc. & in 2022 Research Centre was also introduced.

Introduction:

Banks are a very important part of the economy because they provide vital services for both consumers and businesses. Banks provide a secure way to store, protect and provide access to customer deposits. Consumers can conduct routine banking transactions through checking accounts, ATMs and electronic transfers while earning interest on their deposits held in deposit accounts like savings, certificates of deposits and in certain demand deposit accounts. Banking in the 21st century means being able to conduct all transactions digitally without needing to physically visit a branch location. Deposits, withdrawals, payments, and transfers can be conducted online or by phone app as well as applications for credit cards and loans.

Business development encompasses a wide scope of ideas, activities, and initiatives that a business owner and management implement with the goal of making the business better. Business development can include many objectives, such as sales growth, business expansion, the formation of strategic partnerships, and increased profitability. Successful business development impacts every department within a company, including sales, marketing, manufacturing, human resources, accounting, finance, product development, and vendor management. Business developers should be aware of new market opportunities, possibilities for expansion, competitor developments, and the current sources of the company's revenue.

Sub Themes:

- E- Banking
- Privatization in Banking Sector.
- Green Banking
- Mergers of Banking
- Logistic support by Financial Institutions
- Fraud Risk Awareness
- Risk Management through Banks

- Globalization causing revolution of rising expectations.
- Business Towards Social Responsibility

ONE DAY STATE LEVEL WORKSHOP ON "ROLE OF WOMEN IN SOCIETY"
REPORT

Title of the programme	One Day State Level Workshop on "Role of Women in Society"
Date	26-7-2022
Venue	Central Hall
Name of the Resource Person	Smt. Umashri, Ex Minister Of Women & Child, Kannada and Culture
No. of Participants	185
Objectives of the programme	Within the society, women have important roles to perform. The roles of women are primarily recognized in the social, political, economic, cultural and religious spheres. In these spheres, when they are to possess efficient skills and abilities, so they are able to render their participation in an effectual manner.

Summary of the Programme

In our society, women take a vital role from birth to death. Despite of showing proficiency in all their roles, today's modern era, women seem to be standing behind men. In a male dominated society, the ability of a woman is seen as less than that of a man. Contributing towards household expenses. In many areas, women have overtaken men. Day by day girls are making such records on which not only the family or society but the whole country is feeling proud. Now a day women are able to do all works in all sectors. Be proud to be a woman. Smt. Umashri, Ex Minister Of Women & Child, Kannada and Culture, resource person of the programme addressed the students.

This program helps to students to know their strength. All faculty members were presented. The chief guest of the function was introduced by Dr. Reshma Gajakosh, welcomed by Prof. Geeta Sajjan, hosted by Prof. R.V.Kokatnur.

आधुनिक काल में (science) विद्वान और हिंदी के दरमियान जो संबंध हैं उसको समझाना है।

हिंदी भाषा आज के वर्तमान काल में केवल राष्ट्रभाषा ना होकर अंतर्राष्ट्रीय भाषा बनने जा रही हैं

हिंदी भाषा बहुत ही सरल और आसान भाषा है छात्रों को सीखने के लिए कोई मुश्किल का सामना नहीं करना पड़ता है यह छात्रों को समझाना ।

9;WEBINAR ON "HOW TO MAKE THE RIGHT CHOICE FOR SUCCESSFUL CAREER"

For final year students of STC College, Banahatti. On 6th January 2022

Report of webinar

STC College was planned for work shop on 6th January 2022 in physical mode. Due to the covid the Government of Karnataka announced the covid guidelines, we are organized webinar on virtual mode on 6th January 2022. The webinar was organized in collaboration with College Placement Cell and Department of Library and information Science In association with kirloskar Institute of Advanced Management Studies Harihar, organised a IQAC Initiated webinar on the theme "HOW TO MAKE THE RIGHT CHOICE FOR SUCCESSFUL CAREER" for final year students of STC College, Banahatti.

The Webinar had attracted a number of participation from our different streams of UG and PG students. There were over 415 Final Year Students was registered and joined the webinar.

The programme started with an introductory speech delivered by Prof Y. B. Koradur Convenor of webinar organising committee, followed by welcome address from Kumari. Laxmi Karigar B.Com Final year Student.

Webinar began with an Inaugural Ceremony at 12 p.m on 6th January 2022. The inaugural event was chaired by Dr. G. R. Junnaykar Principal, STC arts and Commerce College Banahatti inaugurated the webinar highlighting in his Inaugural Address, appreciated the Placement cell and Library department and its dedication service towards students. He said the unique vision to uplift our students throughout the year is the remarkable. . Information technology has opened the door to everyone to learn and gain knowledge. He recalled the quotes of Sir M Vishveshwarya, "Education is Showing Soles, Dr. APJ Abdual Kalam, "India become a superpower" and recalled the Manku Timmana Kagga of Dr. D.V.Gundappa "Hosa chiguru,hale beru koodiralu Nava sobagu, Hosa yukthi, hale tatva seari madihudu dharm, Rishi vakya dhodane, Yuva Jana Monday, Vignayana mathu kalegoodi, Maduvevu olitha janajeevanake" and emphasized the blend of old and new, new technology and old cultural tradition.

The resource person for the webinar was Dr. Biplab Kumar Biswal highlighting in his delivered towards choose right career. For every student it is very important to choose the right career at the right time because one right decision will only bring happiness and success in your Life. Whereas one wrong choice can damage your prospects and prosperity for throughout the life. During the teenage period, students are usually confused about their choices and interest and ended up choosing the wrong career. Today webinar to help you to make the right career choice, Dr. Biplb Kumar sir given to some few tips for everyone who is confused about what to do in the future? These are some factors that you can take account on to find the right career.

End of the webinar Mr Anil Kumar T. S., Reginal Head South-East Kirloskar Institute, Harihar. His presentation given by the information and objects of Kirloskar Institute of Advanced Management Studies Harihar. He play the video clip about Kirloskar Institution.

The session ended with a round of discussion and vote of thanks by Mr. Anand Athani B. Com Final Year Student in the presence of IQAC Coordinator Dr. M. N. Benur and our faculty Dr. P. R. Kengnal, Prof. Smt. R.V. Kokatanur, All department HOD's and staff and students are participated in webinar.

Report on

“National Webinar on “Research Innovation and Ranking”.

(11th, August, 2021)

Organised by : Ministry of Higher Education, Govt. of India

Ministry of Education organized the National Webinar on Research Innovation and Ranking on 11th August 2021 at 10.30 AM as part of the one-year celebration of National Education Policy 2020 (NEP 2020).

Dr. Rajkumar Ranajn Singh, Hon'ble Minsiter of the State Education and External, Govt. of India was the Chief Guest for the programme while Prof. K. VijayRaghvan, Principal Scientific Advisory, Govt.of India was the Guest of Honor.

The theme of the webinar was divided in to three parts, Ensuring excellence and Relevance in Research, Building Innovation and Entrepreneurial Ecosystem and Strategy for HIEs excelling in Global Ranking.

Shri. Rakesh Ranjan, Additional Secretary welcomed to all the guests, participants for the webinar. Prof. D.P Singh, Chairman UGC addressed the gathering. Shri. Amit Khare, Secretary, Higher Education gave opening remark about the national webinar. Dr. VijayRaghvan, Principal Scientific Advisory, Govt.of India addressed to the gathering. Dr. Rajakumar Ranjan Singh, Hon'ble Minsiter of the State Education and External, Govt. of India Inaugurated the webinar.

PANEL DISCUSSION 1: ENSURING EXCELLENCE AND RELEVANCE IN RESEARCH.

Moderator: Prof. Rajat Moona, Director, IIT, Bhiai.

Panelist 1: Dr. K Radhakrishanan, Former Secretary Space and Chairman Standing Committee of IIT Council. Said that collaboration and teamwork which isso significant and important for going up in the golobal ranking. And also he said that not just improving the ranking and system but we think how we can very effectively solve the problem of common man.

Prof. Rangrajan, Director, IISc Bangalore said that multidisciplinary research and collbration between different intuition most important factors are improving the global

He also said we do funding for infrastructure and along with we give funding for our supporting staff, their salaries, maintenance of the equipment which we use.

Prof. Bhasker Ramamurty, Director, IIT Madras talked about relevant research that is IIT madras has been doing and there are many other examples in different institutes about helping to the society in different ways.

PANEL DISCUSSION 2: BUILDING INNOVATION AND ENTREPRENEURIAL ECOSYSTEM

Dr. Deepak Bagla, MD, CEO, Invest India explained that how we can join to the investors, government and private sector. He also told first we start from ground level. He said that over 600 districts of India registered for startup India. He also highlighted that number of women in India growing in Startup India.

Mr. Yashraj Bharadwaj, Cofounder and CEO, Zenti Vipers and Ideax Solution highlighted his life story and how he stated his company and what difficulties he faced. How his school and college supports him when he was studying. He also said that there is lack trust between four stakeholders Industry, Government, academia and consumers. He said that trust comes very important factor in growing the Entrepreneurial Ecosystem.

PANEL DISCUSSION 3: STRATEGY FOR HIES EXCELLING IN GLOBAL RANKING

Dr. Raj Kumar, VC, Jindal Global University explained why our ranking are not improving. He said we not working in collaboratively. If we want improve in the global ranking then we need to work with collaboration between the institutions within the institution and multidisciplinary people can work together.

In this panel also discussed that in other countries they are concentrating on the impact factor of the Journal they are just looking the parameters of the study. So improving the ranking in globally we need to think on which parameters we need to concentrate.

At the end Prof. K. VijayRaghvan. Principal Scientific Advisory, Govt. of India highlighted important factors discussed in the three panel discussion.

Prof. Rajeev Kumar, Member Secretary, AICTE extended the gratitude to all the guests, moderates, panelists and participants.

Dear Sir/Madam

We cordially invite you to participate in One Day State Level Hands on Workshop on **Statistical Data Analysis Using SPSS** on Saturday, 30th January, 2021.

About College

About for decades back there was no college in the vicinity of 80 kms offering commerce degree course. In 1975, considering the need of the people of Jamakhandi, Mudhol, Raibag and Athani Talukas, the management took a bold decision to start a first grade college with "Bachelor of Commerce" course to begin with. The motto of late Shree Tammannappa Chikkodi, founding father of the Janata Shikshan Sangha, was to bring higher education to door steps of the down trodden and the weaker sections of the society in general and weavers community.

About Workshop

Statistics plays an important role at all stages of a research in almost all disciplines. A researcher needs basic knowledge and understanding of statistical concepts to communicate with a statistician. Fortunately, now-a-days there are so many statistical software packages available for analysing the data more efficiently and in a user friendly way. This workshop proposes to cover basic statistical concepts required for understanding study results along with hands on experience of doing basic analysis using the statistical software SPSS.

The focus is to improve upon the quality of research by the use of latest technology and software. Researchers find themselves severely constrained in their research work due to lack of adequate understanding of statistical analysis and techniques. Therefore, this workshop will help in order to provide practical exposure to researchers in data analytics using SPSS Package.

Programme Schedule

9.30 AM to 10.00 AM Registration
10.00 AM to 11.00 AM Inauguration
11.00 AM to 11.15 AM Tea Break
11.15 AM to 1.15 PM

Session I- Introduction to SPSS, Data Management and Descriptive Statistics
Dr. Gavisiddappa Anandalli, Associate Professor, Librarian, KSAWU, Vijayapur
Lunch Break
Session II- Parametric Tests, Non-Parametric Test and Correlation
Dr. Prakash R. Kengnal, Assistant Professor in

Date: 30-01-2021

Topics to be covered

Introduction to SPSS
Data management
Descriptive statistics
Parametric and Non-Parametric Statistical Tests
Correlation and regression analysis

Target Participants

All those who deal with data analysis will benefit most from the program. Thus, program will be useful to

- Academicians & Researchers,
- Research Scholars
- Business Analysts / Managers

Benefits to the Individual

The program will benefit the participant to do data analysis and rule out the dependency on a Statistician.

- Real data analysis and interpretation of results.
- SPSS software (demo 24 version)

How To apply

For registration, interested candidates can register by clicking the link. On-Spot registration is also available. Participants are required to submit their Registration Fees in Cash or Phonepay (8147462452) on or before 28-01-2021. Participants may also avail the facility of NEFT using the following details.

Registration link: <https://forms.gle/ezmJhue4u6hsSWUL6>

Bank Details: Name; Prakash R. Kengnal, **Bank Name;** Syndicate Bank, KSC, Dharwad Branch

Acc. No. 12422010035149, **IFSC Code:** SYNB0001242

Registration Fees:

Research Scholars /Students: **Rs. 250/-**
Faculty Members /Corporate: **Rs. 300/-**

Note: The candidature of the applicants shall not be entertained in case of non-acceptance of Registration Fees and Duly filled Registration Form. Course fee covers the costs of program, materials kit, refreshments, Lunch, Certificate of Participation.

• The number of participants has been restricted to 40 on first-come-first serve basis.

2020-21

Summary of Presentation

Detailed Report on

One Day State level hands on Workshop on "Statistical Data Analysis using SPSS".

(30th, January, 2021)

**Organised : IQAC, Department of statistics and
Department of Economics, STC College, Banhatti**

STC Arts, Commerce, BBA, BCA, BSc College, PG Centre and Research Centre Banhatti, Department of Statistics and Department of Economics under IQAC has organised One Day State level hands on Workshop on "Statistical Data Analysis using SPSS" on 30th January, 2021.

The core objective of the workshop was to improve upon the quality of research by the use of latest technology and software. Researchers find themselves severely constrained in their research work due to lack of adequate understanding of statistical analysis and techniques. And also to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop proposes to cover basic statistical concepts required for understanding study results along with hands on experience of doing basic analysis using the statistical software SPSS. The course intends to deal with variety of quantitative research methods used in social science researches. The workshop commenced, after the registration of participants, introductions and Inaugural function.

Detailed Report on
One Day State level hands on Workshop on “Statistical Data Analysis
using SPSS”.

(30th, January, 2021)

Organised : IQAC, Department of statistics and
Department of Economics, STC College, Banhatti

STC Arts, Commerce, BBA, BCA, BSc College, PG Centre and Research
Centre Banhatti, Department of Statistics and Department of Economics
under IQAC has organised One Day State level hands on Workshop on
“Statistical Data Analysis using SPSS” on 30th January, 2021.

The core objective of the workshop was to improve upon the quality
of research by the use of latest technology and software. Researchers find
themselves severely constrained in their research work due to lack of
adequate understanding of statistical analysis and techniques. And also to
equip the research scholars with set of skills and potentiality to undertake
the research very effectively in the disciplines of social science and to turn
completed research into publishable material of high quality in the form of
articles, journals and books. This workshop proposes to cover basic
statistical concepts required for understanding study results along with hands
on experience of doing basic analysis using the statistical software SPSS.
The course intends to deal with variety of quantitative research methods used
in social science researches. The workshop commenced, after the
registration of participants, introductions and Inaugural function.

30th July, 2021

Subject – National Webinar on Holistic & Multidisciplinary Education

Respected Sir / Madam,

As you are aware, we are celebrating completion of one year of Transformative Reforms under National Education Policy, 2020. On this occasion, weeklong theme-based Webinars are being held. **Hon'ble Prime Minister of India, Shri Narendra Modi ji** inaugurated the event on 29th July, 2021 and launched several initiatives on this historic occasion. I am glad to share with you that Ministry of Education (MoE) and University Grants Commission (UGC) are organising a **National Webinar on Holistic and Multidisciplinary Education** on **2nd August (Monday), 2021** from **12:30 PM to 02:30 PM**. It is a matter of great pride that **Hon'ble Minister of State for Education of India, Dr. Subhas Sarkar ji** has very kindly consented to grace the occasion and deliver the inaugural address.

The Webinar will have sessions dedicated to Holistic Education, Multidisciplinary Education and Multiple Entry and Exit through Academic Bank of Credits (ABC). I am pleased to convey that a number of dignitaries that include Members, Committee for Draft NEP as well as eminent academicians will deliver talks during different sessions.

You are cordially invited to join the Webinar and derive benefit from the academic deliberations.

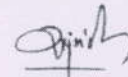

The programme can be joined LIVE via:

National Level Webinar on

"Multidisciplinary and Holistic Education & NEP 2020"

As a Part of Completion of 1st year of Transformative
National Education Policy – 2020

Nodal Ministry/Department of Organization AICTE

Date: 2nd August 2021

Report 2020-2021

The Webinar was conducted by Ministry of India, New Delhi.

On the occasion of completion of 1st anniversary of NEP-2020, an initiative made by Hon'ble Prime Minister Narendra Modi this national webinar has been organized collaboratively by *Minister of State for Education, Minister of School Education and Minister of Higher Education, UGC and AICTE.*

Mr. Rajeneesh Jain, Secretary of UGC hosted the inaugural functional where *Mr. D. K. Singh, Chairman of UGC* welcomed all the distinguished speakers and delegates.

Mr. Anil Kare, Secretary of Higher Education, under his opening remarks beautifully explained how best Indian values must be a part of Indian education. He strongly mentioned that the changing global era is emphasizing the students to move from traditional/ historical learning to global competency. Students from different streams should have a global outlook but roots must lay in India. He also mentioned that this webinar aims in bringing out Indian values inculcating in Indian Education System through multidisciplinary and Holistic Education.

The chief Guest, *Mr. Subhas Sarakar Hon'ble Minister of State for Education*, addressing the gathering mentioned that the NEP is guided by the rich heritage of Ancient and Eternal Indian knowledge and balances between the fundamentals of bhartiya ethos and global trends, by adopting technological themes in education. Remembering the greatest development made in education by ancient great king *Shri Krishnadevaraya*, sir narrated that ancient education has always been a back bone for the enrichment of holistic education. He also mentioned that teachers are the primary source of imparting skills in students through innovative and creating teaching methods. He told that teachers must study the attitudes, skills, behaviors of students and develop them based on holistic models such as ethical, moral, social, global knowledge and life skills etc., which are very essential skills in this global era. Reminding the Sustainable Development Goals given by United Nations, SDG – 4 which speaks about free, equitable and primary

education to all boys and girls, "Make in India" and "Athmanirbhara" has been initiated to encourage youth to take the lead in the development of our country, which is possible by skill based learning with trade minds.

First Technical Session: "Holistic Education & NEP-2020"

First technical session was chaired by *Prof. Rama Shankar Dube, Vice-Chancellor of Central University of Gujarat*, in his address towards the webinar he propounded that how best the NEP-2020 braced holistic education in India. He prominently mentioned that how the ancient educational institutions such as Takshashila, Nalanda, Vallabhi etc., focused on holistic education which has a blend of materialism with spirituality. He also elaborated the significance of NEP-2020 which included environmental education, life skills, value based education, holistic education etc., which impart physical, social, emotional, intellectual, moral, professional, technical disciplines. He summarized the words by mentioning that highly capable, socially acceptable, skilled and enterprising youth will be produced to provide leadership in various spheres to face national and global changes with dedication towards the human values and which are rooted in glorious Indian culture and traditions.

Prof. Sunena Singh, Vice Chancellor of Nalanda University, addressing the webinar mentioned that NEP-2020 gives us huge flip and freedom to look at different disciplines. She also told that the dynamic education system can be fostered by not only the rules and policies given by the Ministry of Education but also by the educational institutions. She told to synergize the creative, reflective or creative thinking, entrepreneurship, scientific, compassion, community services etc., must be explored along with cognitive, intellectual and knowledge based education. She also emphasized on six core concepts to be adopted in holistic education by modifying the curriculum such as critical thinking or analytical thinking, good judgment or ability of self govern or problems solving skills, meta learning – learning in one zone of freedom of learning or experiential learning, social ability, refining values and self knowledge or emotional development.

Prof. Bhadri Narayan Vilas, Director and Professor at GB Pant Social Institute, Allahabad, told in his speech that holistic education creates cultural values and human values to build a new nation. The knowledge produced through the introduction of NEP-2020, is the knowledge developed through experience which help the nation to build through holistic education.

Second Technical Session - "Multidisciplinary Education and NEP-2020"

Second technical session was chaired by *Prof. M. K. Shridhar Makam, Member of UGC, former Member Secretary of Karnataka Knowledge Commission and Karnataka State Innovation Council*, in his address towards the webinar he told that multidisciplinary education is very essential to make the holistic education get to be used to its maximum way. He emphasized that the curricular activities and syllabus must be included with multidiscipline subjects and multiple programs which can support students to face global competency. He explained that how the World Economic Forum released the new 21st century skills which are related to ways of thinking, ways of working, tools for working and skills for living in the world and how 21st century education must be shaped on different skills and such skills like active learning, innovative learning, meta learning etc., can be developed by multidisciplinary programs.

Prof. Anant Kumar Singh, Director General of Nirma University, in his speech propounded that integration of different subjects in one form can develop holistic education. He also told that students much understand how the different subjects can help them to develop globally by inculcating various skills. He also told that colleges and institutions should implement integrated subjects and proper infrastructure to move fast for expedite learning to achieve the objective of multidisciplinary education.

Prof. Bhim Rao Maitri, Director of IIM Nagapur, in his speech told that multidisciplinary education provides three major perspectives for students such as, develop the rich view of the world, get

Janata Shikshan Sangha's
STC Arts and Commerce College, Banhatti.

Co-ordinator
IQAC
Janata Shikshan Sangha's

wide range of perspective to the students encounter during their studies and combination of subjects will offer students more flexible employment opportunities. He also told about important outcomes of multidisciplinary education in teaching for universities such as flexible curriculum, new pedagogy to encourage multidisciplinary thinking and the capability related disciplines to be developed which can support the student to increase their thinking power. He also told that students much be helped to change their mindset which can empower them in their future through multidisciplinary education.

Third Technical Session - "Multiple Entry and Exit through Academic Bank of Credit"

Prof. V. K. Jain, Vice Chancellor of Tejapur University, spoke during the session that the objectives of the multiple entry and exit option support to remove the rigid boundaries and facilitate new possibilities for learners and offer flexibility in curriculum and discipline specific offers, offer different designs of masters program, to enable credit accommodation and transfer along with provision of evaluation and validation and encasing the credit to students. He also elaborated in detail the guidelines on multiple entry and exit through academic credit launched by Hon'ble Prime Minister *Shri Narendra Modi*, on 29th July 2021.

Prof. Nageshwar Rao, Vice Chancellor of IGNOU, during the session he told that the Universities and Institutions should move from program based education to course based education. The ABC method will help the students to bring out their individual capabilities. He also told that the MOE has given all the facilities to bring out holistic learning or course based programs which can reach the remote areas and help the students to face global competition and develop their entrepreneurial skills.

Prof. Avinash Chandra Pande, Director of Inter University Accelerator Centre, New Delhi, during his speech he told that students get their own basket to pick up any subjects for their studies. It is the student centric and learning based education system which pay the way for holistic and multidisciplinary system in higher education. This helps the students to roboost their knowledge and suite their aptitude. It also helps to enable the students for lifelong learning capability. Multiple entry and exit help the students to connect different domains of knowledge and to acquire the right foundations and building blocks to pursue their life goals.

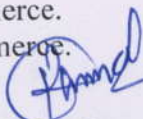

Conclusion:

Under the conclusion of this webinar on "*Multidisciplinary Education and Holistic Education*" which was a part of the completion of one year of transformative reforms under the NEP-2020, *Dr. D. K. Singh* concluded the speech by remarking that the multidisciplinary and holistic education will make India self reliant and globally competent. Integration of social, ethical, moral, professional, human skills, scientific, intellectual, life skills etc., will bring out dynamic, innovative and creative learning. With flexible multiple entry and exit will provide students to gain the knowledge of various courses and subjects and enhance their capabilities which help to promote their entrepreneurial skills. At the end sir congratulated the UGC for conducting such informative and remarkable webinar on Multidisciplinary and Holistic Education and NEP-2020 which provided the road map for the future India.

“Ministry of Education organises a National webinar on Quality Teacher Education, Accreditation, and Teacher Development”

Ministry of Education, AICTE and National Council for Teacher Education organized a national webinar on "Quality Teacher Education, Accreditation, and Teacher Development." Dr. Jitendra Singh, MoS (Independent Charge) for Science and Technology, PMO and DOPT was the chief guest for the webinar.

Addressing the participants, Dr. Jitendra Singh said that in line with the vision of Prime Minister, the National Education Policy 2020 will help in realising the goal of New India. The Minister stressed that there is a strong need of aligning professional degree and career choices. He also spoke of integrity in the selection process of teachers and incentivizing best students to take up teaching as a profession.

The Minister said that since ancient times, teachers have been at the centre of education and contributing to the country's progress. High quality teaching will improve educational outcomes and will lead to holistic development of students.

Prof. Narendra Kumar Taneja, VC, CCS University; Prof. C.K. Saluja, Rtd., CIE, Delhi University; Prof. M. Jagadesh Kumar, VC, JNU; Prof. Padma Sarangpani, Tata Institute of Social Sciences; Dr. Maitreyee Dutta (Head), Dept of Computer Science & Engg., NITTTR, Chandigarh; Ma. Ramya Venkataraman, GENTA also participated in the webinar.

Education ministry, UGC organize webinar on 'Use of technology in Education'

The Ministry of Education and the University Grants Commission (UGC) organized a national webinar on the "Use of technology in Education" on Tuesday
Date :10-08-2021.

The Ministry of Education and the University Grants Commission (UGC) organized a national webinar on the "Use of technology in Education" on Tuesday. To mark the completion of one year of transformative reforms under National Education Policy (NEP), 2020, Ministry of Education is organising a series of theme-based webinars on various aspects of NEP, 2020.

In the webinar held on Tuesday, Union Minister of Railways, Communications and Electronics and Information Technology Ashwini Vaishnav emphasized the need of using technology in education to make it available for all.

He stressed upon the adaption of technology for smoothening the process of education. Antyodaya, being one of the major philosophies rooted in Indian culture, he mentioned various initiatives to help reach technology to the last person in the society. While talking about lifelong learning, he emphasized on bringing college campuses at the doorsteps of the learners.

In his address, Professor DP Singh, Chairman, UGC talked about the various initiatives taken by the Commission to make the courses available on digital platforms.

School Education and Literacy, Secretary, Anita Karwal said that the blueprint for national digital architecture for school education through which children can register and get linked to the learning process will be a digital record of his/her certificates, academic tracks.

The webinar was held in three sessions on National Education Technology Forum, on Use of Technology for Operationalization of Academic Bank of Credits, and on MOOCS/Virtual University.

"The key takeaways of the webinar were that of establishing a hybrid model of education with the blend of virtual and physical education. The National Education Policy, 2020 with use of technology will increase the Gross Enrolment Ratio, decrease the drop-out rate, improve student mobility, equity and quality of education for students as well faculties," an official statement said.

Several academicians, higher education institutions, students, experts from industry and technical fields from all across the country took part in the webinar. Officers from different Ministries, UGC, AICTE and other premier institutions were also present in the webinar.

National Level Webinar on
"Multidisciplinary and Holistic Education & NEP 2020"

As a Part of Completion of 1st year of Transformative
National Education Policy – 2020

Nodal Ministry/Department of Organization AICTE

Date: 2nd August 2021

Report 2020-2021

The Webinar was conducted by Ministry of India, New Delhi.

On the occasion of completion of 1st anniversary of NEP-2020, an initiative made by Hon'ble Prime Minister Narendra Modi this national webinar has been organized collaboratively by *Minister of State for Education, Minister of School Education and Minister of Higher Education, UGC and AICTE.*

Mr. Rajeneesh Jain, Secretary of UGC hosted the inaugural functional where *Mr. D. K. Singh, Chairman of UGC* welcomed all the distinguished speakers and delegates.

Mr. Anil Kare, Secretary of Higher Education, under his opening remarks beautifully explained how best Indian values must be a part of Indian education. He strongly mentioned that the changing global era is emphasizing the students to move from traditional/ historical learning to global competency. Students from different streams should have a global outlook but roots must lay in India. He also mentioned that this webinar aims in bringing out Indian values inculcating in Indian Education System through multidisciplinary and Holistic Education.

The chief Guest, *Mr. Subhas Sarakar Hon'ble Minister of State for Education*, addressing the gathering mentioned that the NEP is guided by the reach heritage of Ancient and Eternal Indian knowledge and balances between the fundamentals of bhartiya ethos and global trains, by adopting technological themes in education. Remembering the greatest development made in education by ancient great king *Shri Krishnadevaraya*, sir narrated that ancient education has always been a back bone for the enrichment of holistic education. He also mentioned that teachers are the primary source of imparting skills in students through innovative and creating teaching methods. He told that teachers must study the attitudes, skills, behaviors of students and develop them based on holistic models such as ethical, moral, social, global knowledge and life skills etc., which are very essential skills in this global era. Reminding the Sustainable Development Goals given by United Nations, SDG – 4 which speaks about free, equitable and primary

education to all boys and girls, "Make in India" and "Athmanirbhara" has been initiated to encourage the youth to take the lead in the development of our country, which is possible by skill based learning along with trade minds.

First Technical Session: "Holistic Education & NEP-2020"

First technical session was chaired by *Prof. Rama Shankar Dube, Vice-Chancellor of Central University of Gujarat*, in his address towards the webinar he propounded that how best the NEP-2020 embraced holistic education in India. He prominently mentioned that how the ancient educational institutions such as Takshashila, Nalanda, Vallabhi etc., focused on holistic education which has a blend of materialism with spirituality. He also elaborated the significance of NEP-2020 which included environmental education, life skills, value based education, holistic education etc., which impart physical, social, emotional, intellectual, moral, professional, technical disciplines. He summarized the words by mentioning that highly capable, socially acceptable, skilled and enterprising youth will be produced to provide leadership in various spheres to face national and global changes with dedication towards the human values and which are rooted in glorious Indian culture and traditions.

Prof. Sunena Singh, Vice Chancellor of Nalanda University, addressing the webinar mentioned that NEP-2020 gives us huge flip and freedom to look at different disciplines. She also told that the dynamic education system can be fostered by not only the rules and policies given by the Ministry of Education but also by the educational institutions. She told to synergize the creative, reflective or creative thinking, entrepreneurship, scientific, compassion, community services etc., must be explored along with cognitive, intellectual and knowledge based education. She also emphasized on six core concepts to be adopted in holistic education by modifying the curriculum such as critical thinking or analytical thinking, good judgment or ability of self govern or problems solving skills, meta learning – learning in one zone of freedom of learning or experiential learning, social ability, refining values and self knowledge or emotional development.

Prof. Bhadri Narayan Vilas, Director and Professor at GB Pant Social Institute, Allahabad, told in his speech that holistic education creates cultural values and human values to build a new nation. The knowledge produced through the introduction of NEP-2020, is the knowledge developed through experience which help the nation to build through holistic education.

Second Technical Session - "Multidisciplinary Education and NEP-2020"

Second technical session was chaired by *Prof. M. K. Shridhar Makam, Member of UGC, former Member Secretary of Karnataka Knowledge Commission and Karnataka State Innovation Council*, in his address towards the webinar he told that multidisciplinary education is very essential to make the holistic education get to be used to its maximum way. He emphasized that the curricular activities and syllabus must be included with multidiscipline subjects and multiple programs which can support students to face global competency. He explained that how the World Economic Forum released the new 21st century skills which are related to ways of thinking, ways of working, tools for working and skills for living in the world and how 21st century education must be shaped on different skills and such skills like active learning, innovative learning, meta learning etc., can be developed by multidisciplinary programs.

Prof. Anant Kumar Singh, Director General of Nirma University, in his speech propounded that integration of different subjects in one form can develop holistic education. He also told that students much understand how the different subjects can help them to develop globally by inculcating various skills. He also told that colleges and institutions should implement integrated subjects and proper infrastructure to move fast for expedite learning to achieve the objective of multidisciplinary education.

Prof. Bhim Rao Maitri, Director of IIM Nagapur, in his speech told that multidisciplinary education provides three major perspectives for students such as, develop the rich view of the world, get

REPORT

MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP ORGANIZES A WEBINAR ON SKILLS, ENTREPRENEURSHIP DEVELOPMENT AND EMPLOYABILITY: CHALLENGES & OPPORTUNITIES

On the first anniversary of National Education Policy (NEP) 2020, mapping a vital shift in India's education system, a webinar on the theme 'Skills, Entrepreneurship Development and Employability: Challenges & Opportunities' was organized today by the Ministry of Skill Development and Entrepreneurship (MSDE). Minister of State, MSDE Shri Rajeev Chandrasekhar delivered his keynote address on the occasion as a chief guest. The occasion was also graced by the presence of notable speakers including Mr. Raj Nehru, Vice Chancellor, Vishwakarma Skill Development University, Government of Haryana; Dr. Nirmaljeet Singh Kalsi, Chairperson, NCVET; Shri Manoj Ahuja, Chairman, CBSE; Ms. Jahnabi Phookan, involved in Entrepreneurship Advocacy in Northeast and Ms. Anuradha Vemuri, Joint Secretary, MSDE.

Addressing the participants Shri Chandrasekhar said that as we celebrate the one year of NEP 2020, five years of Skill Development and 75 years of Independence, the Government is committed to ensure the academic welfare and bright future of the students. The Minister said that in line with the vision of Prime Minister Shri Narendra Modi, National Education Policy is transformational and with the curricular integration of vocational training, it will create attractive career platforms for students. He informed that Skill ministry is closely working with Ministry of Education to make PM's vision of skilling, reskilling and upskilling for our youth a success.

Speaking on the occasion Shri Ravi Mital, Secretary, MSDE, said that the implementation of National Education Policy 2020 is crucial in integrating vocational and formal education. The policy

Provides us a roadmap to introduce steady reforms, he added. Shri Mittal hoped that with this vision document, the more fundamental reforms will take place in our education system.

The discussion focused on the alignment of NEP 2020 with the skill and entrepreneurship initiatives of MSDE with an aim to make vocational education aspirational. MSDE seeks to provide skill training to facilitate employability of youth and equip them to take up market driven employment options. Towards this, the ministry is implementing various schemes and programmes for creating a necessary ecosystem for skill development and entrepreneurship promotion through short-term and long-term skill trainings. Skill development and entrepreneurial policies have been developed within the context of India's unique demographic profile and nature of workforce. India is home to the second largest population in the world, with over 50% of India's population below the age of 25. As per available data, by 2030, the country will have the world's youngest and largest workforce, exceeding one billion. With almost 80% of the workforce informally employed, it is important to improve employment opportunities through targeted skilling and employment generation initiatives.
