Dear Professor,

Subject: Requesting college details to arrange campus interviews

Our organization has developed a mobile app for organizing campus interview for students studying in all Government and Private first grade colleges across Karnataka. In the current scenario where campus interviews are limited to only students of Engineering colleges or Urban Degree Colleges, this mobile app is a technology and Internet-based robust platform, which plays a vital role in connecting students and companies with job opportunities. Finding local employment opportunities and providing adequate information about the same will significantly reduce the number of graduates migrating to the capital city for employment. This app helps students by organizing continuous campus interviews right from the beginning of final year graduation classes to 12 months after graduation i.e. 24 months in total.

We are putting our sincere efforts to provide campus interview opportunities to every student of Government and Private college across the state. An important point to note here is that these programs do not put any financial burden on the educational institution.

Your cooperation in this regard is very valuable for our efforts and hence you kindly requested to send your college details to the below mentioned WhatsApp number, so that further processes can be facilitated.

Details of the college required

- College Name, Full Address with Pin Code
- Principal's Name, Mobile Number and Email ID
- Placement Officer's Name, Mobile Number and Email ID

Please send the above details to WhatsApp mobile number 91 – 99622 12131 soon after receiving this letter.
