National Educational Policy :Implementation Guidelines.

Ever since the National Education Policy 2020 (NEP 2020) was announced in July 2020, NIEPA has been engaged in advocating and supporting efforts towards planning for implementation of the NEP among the higher education institutions. Hence STC college has also been following number of guidelines of NIEPA. And taken various measures to implement NEP. The following guidelines have been framed by the institute.

1) Identifying the special education zone(SEZ)

Under the heads of NEP higher education institution in identifying the educationally disadvantaged zone in the catchment area and including the neglected group.

2) Enhancing the Gross Enrolment Ratio (GER).

In order to stop the drop out ratio and enhance the gross enrolment ratio many measures have taken targeting scholarship, cash transfer, incentives to the parents, to send their children.

3) Gender disparity.

NEP has taken into account the concern of the socio economically disadvantaged group which includes female and transgender individuals. In addition, NEP prescribes to approach gender as a cross cutting priority to achieve gender equality in education with the partnership of states and local community organisations.

4) Social Group disparity.

Even after 75 years of independence there are disparities not among different geographic areas but also between socio economic disadvantaged group such as the SC and ST and minority population as well as there are gender disparities with socio economically disadvantage group in mind the recently adopted NEP 2020. Rightly recommended establishing the SEZ.

5) Promote education of Minority.

To address the two low participation of minorities especially Muslims who are the largest section of educationally backward minorities in the national education system. The minorities of HRD has taken several steps

E.g.1. financial aid to minorities. Midday meal scheme. Janashikshan Sansthan etc.

6) Inclusion of dis able students.

College has taken following initiatives to include disabled students.

- I. Identifying the disabled students.
- II. Adequate teachers training.
- III. Creating disable friendly infrastructure.
- IV. Technology enhancement.
- V.

7) Increasing employability of graduate students.

In order to increase the employability of the graduate out come base education and skill base education has been promoting the college has conducted various skill development programmes for the students.

8) Encouraging research and development.

NEP emphasises multidisciplinary approach to education as well as the necessity of cultivation creative mind with the goal of developing analytical and critical thinking activities under taken.

- a) Enhancing the number of research centres.
- b) Conducting students research conference.
- c) Improving teaching students and teacher.
- d) Multi disciplinary research and community engagements.

9) Developing Indian culture.

Culture in India developed over thousands of years and manifested in the form of Arts literature linguistic expression traditions etc.

Language is linked to Art and culture language influence the way of the people of given culture speaks with others. In older to preserve the culture various initiatives were taken E.g.

- 1) Traditional day
- 2) Sari day
- 3) Dhoti day
- 4) Twins' day
- 5) Raksha Bandhan. Etc.

10) Ensuring global recognition for indigenous projects.

At present India is developed in technology and it has developed various globally acceptable projects but these projects have not been globalised hence indigenous projects should be globalised.

Model Program Structures for the Under-Graduate Programs in Universities and Colleges in Karnataka

**Bachelor of Arts (Basic/ Hons.)/ Bachelor of Science (Basic/ Hons.)/ Bachelor of Commerce (Basic/Hons.)/
Bachelor of Business Administration (Basic/Hons.)/Bachelor of Social Works (Basic/Hons.)/ Bachelor of Computer Applications (Basic/Hons.) etc.**

The Government of India has notified NEP-2020 on July 29, 2020 based on Dr. Kasturirangan Committee's Report. The objective is to bridge the gap between the current system of education and what is required in the 21st century. It is to have Holistic and Multidisciplinary UG Education to produce employable graduates with integrated personality.

The Government of Karnataka had constituted a Task to suggest an Implementation Framework for NEP-2020. It had also constituted two sub-committees, one on Curriculum Reforms in Higher Education and the other on Governance and Regulations.

The Task Force has suggested NEP-2020 Implementation Framework for Karnataka. The State Government has accepted the action plan and taken steps to implement NEP-2020, as per the Implementation Roadmap suggested by the Task Force.

The Sub-committee on Curriculum Reforms in Higher Education had suggested a Draft Curriculum Framework for Undergraduate Programs in various disciplines. The State Govt. had also constituted Faculty-wise Committees to consider this draft framework to formulate program structures in their faculties. These Committees have submitted their reports. The latter were considered in the meetings of all the Vice Chancellors. The following Model Program Structures were designed for various Under-Graduate Programs in Arts, Science, Commerce and Management. The Subject Committees constituted to design and draft the curriculum in their subjects have to follow these Model Program Structures. The Terminology used in these Program Structures are s.

Discipline Core (DSC) refers to Core Papers in a Subject or Discipline

Discipline Elective (DSE) refers to Elective Papers in the core Subject or Discipline.

Open Elective (OE) refers to Elective Papers in a non-core Subject across all disciplines.

Program Structures also contain Ability Enhancement Compulsory Courses (AECC), Languages, Skill Enhancement Courses (SEC) (Both skills and value based). Pedagogy involves L+T+P model. Generally subjects with practicals involve L+P, while the subjects without practicals involve L+T model. The numbers in parentheses indicate credits allotted to various courses/papers as per definitions of Choice Based Credit System (CBCS). Generally 1 hour of Lecture or 2 hours of practicals per week in a semester is assigned one credit. Generally core subject theory papers will have 3 or 4 credits, while practicals are assigned 2 or 3 credits.

The program was gracefully began at 10.30 am at the central (functional) hall of the college with the welcoming of the dignitaries of the dais by *Prof. V Y Patil*.

The Keynote speaker *Dr. G R Junnaykar*, respected principle of the *STC college, Banhatti* gave brief information about the nendemic bank of credits in the easiest and simplest manner. He also elaborated the significance of the credits and how the take the benefits of the *ABC* implementation.

Welcome Speech:

Prof V Y Patil,

Lecturer, Dept. of Kannada.

Keynote Speaker:

Dr. Dr. G R Junnaykar,

Principle, STC College, Banhatti

The Keynote speaker evinced about *Academic Bank of Credits (ABC)* as a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. The courses include online and distance mode courses offered by the government and institutes. The validity of these academic credits earned by students will be up to seven years and students can redeem these credits. It is an academic service mechanism as a digital/virtual/online entity established by University Grants Commission to facilitate students to become its academic accounts holder, thereby paving the way for seamless students' mobility between or within degree granting HEIs through a formal systems of credit recognition, credit accumulation, credit transfer and credit redemption to promote distributed and flexible teaching learning.

More than 200, B Com and BBA I semester students attended the program. Faculty members of the both departments attended the program and expressed their views.

Presidential remarks were given by *Prof G S Sajjan*, Asst. Prof., Head of Commerce Dept. and Vote of thanks was delivered by *Prof R V Kokatnur*, Lecturer, Commerce Dept. Other faculty members such as *Prof. S B Ukkali*, Head of Administration; *Prof V J Kadadevar*, Press Reporter; *Prof. S M Bhajantri*, *Prof. S S Mathad*, *Prof. Gajanad Terdal*, *Chetan Moleganvi* etc were present in the program.

Presidential Remarks:

Prof. G S Sajjan,

Assistant Professor, Dept. of

6.1.1 The effective leadership is visible in various institutional practices such as decentralization and participation in the institutional governance

Our college has a participatory administrative structure, which involves the teachers as well as the students in college administration. Transparency is reflected at decision making process.

The academics are managed with the help of Vice Principal, faculty heads and department heads. The Principal and the Vice Principal conveys the academic matters to the heads of the respective departments. The academic planning like the timetable, conducting the internal examination & assessment, seminar, workload for teachers and non-teaching staff are done at the departmental level.

The decision-making body consists of the faculty and student representatives of the college. The entire body members meet a regularly to discuss all administrative and academic matters.

All the faculty members have co-cordially relationship with IQAC and Principal for designing and implementation of quality services. They also motivate the students to participate in co-curricular and extra-curricular activities.

About College

About for decades back there was no college in the vicinity of 80 kms offering commerce degree course. In 1975, considering the need of the people of Jamakhandi, Mudhol, Raibag and Athani Talukas, the management took a bold decision to start a first grade college with "Bachelor of Commerce" course to begin with. The motto of late Shree Tammannappa Chikkodi, founding father of the Janata Shikshan Sangha, was to bring higher education to door steps of the down trodden and the weaker sections of the society in general and weavers community.

About Workshop

Statistics plays an important role at all stages of a research in almost all disciplines. A researcher needs basic knowledge and understanding of statistical concepts to communicate with a statistician. Fortunately, now-a-days there are so many statistical software packages are available for analysing the data more efficiently and in an user friendly way. This workshop proposes to cover basic statistical concepts required for understanding study results along with hands on experience of doing basic analysis using the statistical software SPSS.

The focus is to improve upon the quality of research by the use of latest technology and software. Researchers find themselves severely constrained in their research work due to lack of adequate understanding of statistical analysis and techniques. Therefore, this workshop will help in order to provide practical exposer to researchers in data analytics using SPSS Package.

4.30 PM to 5.00 PM	Valedictory Function

Topics to be covered

Introduction to SPSS

Data management

Descriptive statistics

Parametric and Non-Parametric Statistical Tests

Correlation and regression analysis

Target Participants

All those who deal with data analysis will benefit most from the program.

Thus, program will be useful to

- Academicians & Researchers,
- Research Scholars
- Business Analysts / Managers

Benefits to the Individual

The program will benefit the participant to do data analysis and rule out the dependency on a Statistician.

- Real data analysis and interpretation of results.
- SPSS software (demo 24 version)

How To apply

For registration, interested candidates can register by clicking the link. On-Spot registration is also available. Participants are required to submit their Registration Fees in Cash or Phonepay (8147462452) on or before 28-01-2021. Participants may also avail the facility of NEFT using the following details.

**Detailed Report on
One Day State level hands on Workshop on “Statistical Data Analysis
using SPSS”.**

(30th, January, 2021)

**Organised : IQAC, Department of statistics and
Department of Economics, STC College, Banhatti**

STC Arts, Commerce, BBA, BCA, BSc College, PG Centre and Research Centre Banhatti, Department of Statistics and Department of Economics under IQAC has organised One Day State level hands on Workshop on “Statistical Data Analysis using SPSS” on 30th January, 2021.

The core objective of the workshop was to improve upon the quality of research by the use of latest technology and software. Researchers find themselves severely constrained in their research work due to lack of adequate understanding of statistical analysis and techniques. And also to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop proposes to cover basic statistical concepts required for understanding study results along with hands on experience of doing basic analysis using the statistical software SPSS. The course intends to deal with variety of quantitative research methods used in social science researches. The workshop commenced, after the registration of participants, introductions and Inaugural function.
