## Blood Donation Camp Report

A Blood donation camp was organized by our IQAC, NSS unit, Red Cross, Rovers and Rangers in association with Government hospital Rabkavi-Banahatti and District Hospital Bagalkot through which 60 units of blood was donated by both students and the staff members of our STC Arts, Commerce, BBA, BCA, B.Sc. College, PG and Research Centre, Banahatti. It is a way of STC College; Banahatti gesture in bringing a ray of hope to contribute to the serious problems of acutes shortage of blood. Every year India requires about 5 Crore units of blood, out of which only a 2.5 Crore units of blood are available.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS, Red Cross and Rovers and Rangers volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.
